From

OFFICE OF THE INSPECTOR GENERAL OF EDUCATION IN MYSORE.

Bangalore, Dated 30th May 1922.

C.S.Balasundaram Iyer, Esq., B.A.,
Inspector General of Education in Mysore.

To K. Matthan, Esq., B.A.;
Chief Secretary to the Government of
His Highness the Maharaja of Mysore.

Sir,

With reference to Government Order No.893-4/Edn. 46-19-2 dated 24th July 1919, sanctioning a sum of Rs. 880/- in excess of the originally sanctioned amount of Rs. 2,094/- for the construction of a seasoning Kiln in the Chamarajendra Technical Institute, Mysore, I have the honor to state that the construction of the Kiln has now been put in hand and the work has been entrusted to the D.P.W. for which a revised estimate amounting to Rs. 2,772/- has been approved by the Chief Engineer of Mysore in his No. B. 7183 of 25th March 1922 and a further sum of Rs. 1,941/- has been spent till now for purchasing the required apparatus etc., out of the sanctioned amount. It is now estimated that the cost will amount to Rs. 5,000 as per enclosed revised estimate which is in excess of the originally sanctioned amount by Rs. 2,026. I request that Government may be pleased to sanction the revised estimate and order the utilisation of a sum of Rs. 1,583/- available out of the anticipated savings in the scholarship allotment of the Institute during the current official year. A reappropriation will be suggested to the Comptroller for meeting the charge that may be required during the next official year on this account.

I have the honor to be,
Sir,
Your most obedient servant,
C.S.Balasundaram Iyer
INSPECTOR GENERAL.

No. 24c 269
dated 11th

To

The Director of Ic

Sir,

With reference to correspondence ending with the Dy. C's letter no. C. 7673 of 20-21 dated 29th June 1922, in regard to a revised estimate for the construction of a Seasoning Kiln in the Chamarajendra Technical Institute, Mysore, I am directed to enquire what expenditure has so far been actually incurred in connection with the Kiln, what amount is required for expenditure during the current year and whether that amount can be met out of the allotments under 'Industrial Education' transferred to the budget of the D.I.C. Dept.

Thanks

FROM

P. G. D'SOUZA, ESQ., B.A., B.L.,

Director of Industries and Commerce in Mysore

Bangalore (India)

GEN. SECTT. GEN. 13 DEC 1922

To

The Secretary to the Government of Mysore,
General Department,
Bangalore.

SIR,

With reference to your letter No: IC.269 of the 14th July 1922, calling for certain information regarding Seasoning Kiln in the Chamarajendra Technical Institute, Mysore, I have the honour to state that the cost incurred on the purchase of machinery is £ 140-0-2 (Rs 2,100/=) plus 76-7-3. It is also reported that an estimate for Rs 2,774/=has been sanctioned in the Public Works Department for the building, but as an outlay of Rs 2,600/= has been incurred so far against that estimate and a sum of Rs. 500/= would be required for expenditure during the year for the additions to the building necessary to complete it. As the work is very urgent. I have taken steps to get it completed so that the seasoning kiln may be tried at once. As I propose utilising it for seasoning timber required for the Art Workshop also, it is likely to have sufficient work.

2772

I have the honour to be,

Sir,

Your most obedient servant,

DIRECTOR.

Bangalore.

SIR,

With reference to your letter No.IC.4841/I&C 55-22-46 dated 3rd. February 1923, setting forth that it is not possible to obtain any money from the reduced Budget of the Public Works Department in the current year and that source should be pointed in my Departmental Budget to meet the expenditure, I have the honour to state that in the anxiety to complete the seasoning kiln and start work immediately, a sum of Rs 370/- was recently sanctioned and the Superintendent reports that the building is since completed and that the amount is sufficient.

The total amount sanctioned for the construction of the kiln was Rs 2772/- of which Rs 2600/- is spent by the Public Works Depart-ment and there was still a balance of Rs 172/- which should have been properly borne by them. But under the circumstances set forth in your letter referred to above, I request that you will be so kind as to --- obtain the sanction of Government to meet the amount of Rs 370/- by re-appropriation from the Budget of the Chamarajendra Technical Institute under "Materials & other charges" during the current year. As the kiln was remaining in an incomplete state and we were deriving no benefit from it, I asked the Superintendent to carry out the work at the mini-mum of cost and have thus been able to use the kiln.

I have the honour to be,
Sir,
Your most obedient servant,

The Secretary to the Government of Mysore,
General Department,
Bangalore.

SIR,

Adverting to your letter No. IC. 5868/I & C 55-20-60 dated the 24th March 1923 regarding the construction of a seasoning kiln in the Chamarajendra Technical Institute, I have the honor to state that all the required machinery for the purpose has been received from England and paid for through the Comptroller to the Government of Mysore. As regards the amount sanctioned and the date, I may bring to the notice of Government that they were pleased to sanction in their order No. 8332-3/Edn. 104-17-12 dated the 21st Febry. 1918, the construction of a seasoning kiln at a cost of Rs 2,094/- which was increased to Rs 2,974/- as per Government order No. 893-4/Edn.46 19-2 dated the 24th July 1919. In the meanwhile an order for the necessary parts of the kiln to be imported was placed with one of the English firms at a cost of nearly £ 140/- which amounted to nearly Rs 1,941/- including Rs 76-7-3 paid for clearing charges in Madras. This item was lost sight of in both the original and the revised estimates as reported to Government in the Inspector-General of Education's letter No. C. 7673 of 20-21 of 5th July 1922 and the amount was met out of the lump sum of Rs 2,974/- sanctioned for the kiln. This left only a sum of Rs 1,033/- for the building proper which was quite inadequate as the revised estimates was approved of by the Chief Engineer to cost nearly Rs 2,772/-. Consequently the Inspector General of Education approached the Government with a further revised

36

revised estimate costing nearly Rs 5,000/= in his letter No: C.7675 of 20-21 dated 30th May 1922. This includes the amount of 1941 already spent on machinery, £2,772 for building and £287 for unforeseen charges. The actual expenditure up till now under different heads according to the completed estimates is shown below:-

Building	...	2,704.
Apparatus	...	2,207.
Total:-	...	4,911.

The actual amount paid for the machinery received from England is Rs 1,941/= including the clearance charges of 76-7-5 at Madras, and the difference between this amount and the figure furnished to me by the Superintendent and reported to Government in my letter No:OC. 297/22-23 dated 11th December 1922 being due to a slight gain in the exchange. The total cost ~~already~~ according to the present completed estimate is Rs 4911.

I request the favour of early orders in the matter sanctioning the entire expenditure and to close the case.

I have the honour to be,

Sir,

Your most obedient servant,

DIRECTOR.

1922-23
Section 94C.
File No. 55-22
Serial No. 78

Sir,

Regarding the construction of the Seasoning Kiln in the Chamarajendra Technical Institute, Mysore.

****

With reference to your letter No.6372/I & C-55-22-6 dated 19th April 1923, requesting to know if the savings of Rs 1583/- under Scholarships for 1921-22 has already been utilized for meeting the cost, etc., I have the honour to state that from the report of the Superintendent, Chamarajendra Technical Institute, it is read that no money was spent by the Institute for the Kiln during the year 1921-22 and that the kiln was constructed by the Public Works Department. To corroborate this, the Inspector-General of Education has, in his No.549-50/224 dated 9th April 1923, forwarded a bill amounting to Rs 2693, received from the Executive Engineer, Special Division, Mysore, being the outlay incurred by that Department towards the construction of the seasoning kiln. Thus the outlay incurred on the construction of the building is Rs.2797/-and not Rs 2704 as reported in my No.293 of 7-4-23 which was the figure arrived at as per report received from the Superintendent, Chamarajendra Technical Institute and the total completed estimate for the whole concern is Rs 5004 as

* Building..2797
Equipment..2207
5004/-

* *noted in the margin and not Rs 4911/- as stated in my letter No.293 of 7-4-1923.*

I beg to request that early orders may kindly be obtained

in/

in the matter. The non-adjustment of previous bills is not due to this Department as the Institution was not under the control of the Department. An additional grant may be sanctioned to meet the charges now claimed by the Public Works Department.

I have the honour to be,

Sir,

Your most obedient servant,

DIRECTOR.

2693-1-0

Sir,

Regarding the construction of the Seasoning Kiln in the Chamarajendra Technical Institute, Mysore.

In continuation of my letter No.470 I.S. dated 4-6-1923, on the above subject requesting for an additional grant, I have the honour to state that Rs.5700/- were allotted to the training section of the Chamarajendra Technical Institute for materials ~~and contingencies~~ during the current year and Rs.1865/- were realised as sale-proceeds up to the end of April 1923. But the expenditure incurred in the training section up to the end of April 1923 comes up to Rs.1582/-. This will leave a balance of Rs.5983/-.

The Executive Engineer, Special Division, Mysore, is pressing for the necessary transfer of funds to the extent of Rs.2693-1-0 to cover the charges incurred in connection with the seasoning kiln and that the outlay is being shown as without grants to which the Comptroller takes objection.

Hence I have taken steps to adjust the amount of the bill from the Executive Engineer to the extent of Rs.2693-1-0 from the balance shown above by requesting the Comptroller to arrange for the necessary transfer of funds. The work has been going on for the past 3 years and was almost complete when I took charge but no timely

adjustment/

42

adjustment of funds seem to have been made. I request kind ----

approval of Government for the action taken.

I have the honour to be,

Order ~~Thereon~~ No. I. C. 396-7

Dated 20-7-23

Government in their order No 8332-3/Edn. 104-17-12 dated the 21st Feb 1918 sanctioned an estimate for Rs 2,094 for constructing a seasoning kiln in the

U.K.

Chamarajendra Technical Institute. This Estimate ~~which~~ was increased to Rs 2974/- in G.O. No 893-4/Edn 46-19-2 dated the 24th July 1919. Machinery at a cost of Rs 1941 was ordered from England and the expenditure incurred met from the allotment of Rs 2974/-. As the cost of machinery had been lost sight of in both the original and revised estimates and there was only a sum of Rs 1033 available for constructing the necessary buildings which were estimated to cost Rs 2772, the D. G. of Education in his letter No G.L.C. 7673 of 20-21 dated 30th May 1922 submitted for sanction a revised estimate, for Rs 5000/- as detailed below :-

	Rs
Constructing the Kilns as per estimate approved by Chief Engineer	2,772
Cost of apparatus — paid to Messrs G. T. Wills, England	760
Freight etc paid	181
Unforeseen items that may be found necessary during execution	287
Total Rs	5,000.

List of enclosures.
